

**Kindbody Live:****More Than Motherhood:  
Women, Identity & Choice**

Hear Kindbody's Dr. Amber Cooper share her story and insights on the choices, challenges, and opportunities women face when planning for family and wellness.

**When**

Monday  
March 16th 2026  
3 p.m PST - 6 p.m. EST

**Hosted by**

[Dr. Amber Cooper](#)  
CMO, Genomics + Lab Operations &  
Reproductive Endocrinologist

[RSVP](#)

In honor of International Women's Day this March, we're taking time to celebrate women and their wellness in all its forms. Womanhood means something different to everyone, and this month Kindbody is uplifting voices and experiences that are often left out of the spotlight.

**Kindbody Info Session**

Get your questions answered & explore your options with Dr. Fahimeh Sasan. Guidance is here whether you're ready to start now or planning for the future. Join us on March 12, at 3 PM EST.

[RSVP Here](#)**Honoring Transgender Day of Visibility**

The desire to build a family is universal, but transgender and non-binary individuals often face unique challenges. Dr. Lynn Westphal helps navigate fertility options for those planning ahead.

[Read the Full Post](#)**Meet Dr. Amber Cooper**

She is a board-certified Reproductive Endocrinologist and Kindbody's Chief Medical Officer for Genomics and Laboratory Sciences, bringing expertise and personal insight to IVF care.

Jessica Mejia**

"Our 9th and final transfer worked. All because Kindbody never gave up on us. The team that helped us throughout this chapter of our lives were wonderful. We now have a beautiful baby boy that was all possible thanks to the help we received at Kindbody."
